

MID SUSSEX RIDING CLUB

Knightsbridge Media & Marketing are delighted to sponsor the Mid Sussex Riding Club and provide the TREC trophy this season.

It's never easy to win against strong competition and while we may not be able to help you excel at TREC, we can certainly help when it comes to promoting your business.

We specialise in providing a cost-effective, personal service to all our clients - and particularly enjoy working with small to medium size local businesses. So, if you're looking for a new website, a freshening of your company image, a few flyers - or a complete corporate multimedia presentation, please have a chat to either Robin or Alan on 01903 816953. Don't forget to mention the MSRC as we offer substantial discounts to members!

We look forward to meeting participants at this years TREC events and presenting the award at the AGM. Good luck!

The Knightsbridge Challenge Trophy
